

# EHR DEMONSTRATION AND OPEN HOUSE

## EHR - A JOURNEY ALONG THE PAPERLESS TRAIL

1st Care Consulting will be holding a valuable informational seminar highlighting new features of Medinotes e EHR and Medisoft vs. 11 at the office of Middlesex-Monmouth Gastroenterology. We invite you to attend this seminar and open house to learn more about the software and see how it has benefited other practices. There will be a demonstration of MediNotes e EHR and a tour of the Endoscopy Center of Monmouth County. Then, tour the office of Dr. Robert Blank and see the systems in full operation. Call now to sign up!
